

Overview:

INDEPENDENTLY CERTIFIED BS EN71:3 COMPLIANT ECOS Nursery Paint has been laboratory-tested (Laboratory of the Birmingham Assay Office. Certificate number 71971) to the EU Toys Regulations std EN71:3 for freedom from heavy metals and far surpasses these stringent regulations - there is no better standard.

Storage:

Protect from frost/freezing.

Where to use:

This super-washable multi-surface satin finish is specially crafted for Nurseries and Children's rooms. Works for walls, ceilings, woodwork and metal including cribs, beds, toys, melamine, radiators etc, (not floors).

Bare hardwood - ask for advice.

Preparation:

Surfaces should be clean, dry and free from dust & grease - if in doubt clean with a Scotchbrite® pad and rinse well.

Prime bare plaster with ECOS Plaster Sealer, and bare sheetrock, with ECOS Wall Primer.

Abrade previously painted woodwork and melamine surfaces lightly to provide a key.

Bare wood: prepare with ECOS Wood Primer.

Knots: treat with ECOS White Knotting.

Fillers: seal with ECOS Filler Sealer.

WARNING: Older buildings may contain lead-based paint, which requires professional remediation if it is disturbed. If in doubt, consult with a professional from a Lead-Safe Certified Firm.

Application:

Stir gently and thoroughly before use.

Apply by gloss roller or a good quality fibrillated brush.

Do not leave areas part painted. Always keep a wet edge. Do not lay-off.

Two coats are normally required but dark colors may need three coats. Melamine and metals ideally require three coats.

Touch dry in 1-2 hrs. Allow to dry 8 hours between coats.

Do not apply below 41°F (5°C).

Clean equipment and brushes with water.

NURSERY PAINT

Coverage:

Highly dependent on surface porosity but typically:
70 to 130 Sq Ft per Quart (single coat)
280 to 520 Sq Ft per Gallon (single coat)

Maintenance:

Clean with mild detergent & water. Do not use harsh, abrasive or alkaline cleaners.

Health & Safety:

Avoid contact with skin and eyes. Wash off splashes with water. Keep out of reach of children. DO NOT SWALLOW. Wash hands thoroughly before eating, drinking etc.
